## PRESIDENT'S REPORT

Thank you for your interest in this year's Toodyay Agricultural Show.

In this, the 170th year since the first Show, I hope that, like me, you can't help but be inspired by the rich tapestry of history that weaves through the Toodyay Agricultural Society. The journey began on 15 November 1853 at John Herbert's Royal Oak Hotel, (old, now West) Toodyay, where local visionaries gathered to establish what became the Toodyay, Northam, and Victoria Plains Agricultural Society. Over seventeen decades, we've celebrated numerous milestones that define our commitment to agricultural excellence and community spirit.

On 28 October 1854, a fair was held in conjunction with the Society's annual meeting. Prizes were awarded for the finest farm animals, with a sumptuous meal closing the day. The introduction of a Show Ball in 1856 added a touch of elegance, echoing through the years to culminate in this year's decennial Dance through the decades, honouring 170 years of tradition.

In 1890, the 37th Show was held at a new location, the current Showgrounds, with the first Grandstand and Exhibition Hall built twenty years later.

The Society's progressive spirit continued in 1972 with the first election of female committee members, paving the way for greater diversity and inclusivity. Junior stewards joined the volunteer ranks in 1985, nurturing the next generation of agricultural leaders. And in 2006, Kerry Knowles became the Society's first female President, a historic nod to equality and leadership.

This report is not just a reflection on our past but an acknowledgement of our present and future. I extend my heartfelt gratitude to all who contribute their time, passion and resources to make the Toodyay Agricultural Show possible. From Committee members (along with their co-opted family, friends and neighbours!), to local community organisations, to our amazing financial supporters. This year, the Shire of Toodyay, Bendigo Bank, and Chalice have been joined by Rio Tinto as "Harvesters" – the name we give to our Tier 1 sponsors, and we extend that gratitude to our many "Cultivators", "Seed Sowers" and "Soil Builders", without whom there would be no Show.

And for those of you reading this who are new to our Show, if you're wondering what you can expect on Show Day, here's my 'volunteers view' of a day at the Toodyay Showgrounds... the early morning arrival of volunteers, exhibitors, food vendors and entertainers, the gates ready to greet our first visitors, the white uniforms of the Avon Valley Shotokan (traditionally our first performers each year) and the hustle 'n' bustle of the Showgrounds filling with people and happiness. There's so much to see, maybe start with the trade stalls then head to the community exhibits, such a wide range of sections – hand spinning, photography, art, woodcraft, needlework, hobbycraft, patchwork, quilting, home produce, fruit 'n' vegetables, apiculture, floriculture, cookery, wool, crops, sheep, cattle, poultry, and horses. When you get hungry, there's an amazing array of food choices and live entertainment all day... on the Main Stage, roving the grounds, offering activities to take part in and up at the newly (by Show Day!) renovated Terrace Bar from midday. If you plan your day to take in Sideshow Alley after the Auction, as dusk falls, you'll time it perfectly to enjoy the fireworks at 7.30pm.

Thank you for being, or becoming, a part of our story. Here's to another Show full of memorable moments at the prettiest showgrounds in WA!

Karen Dore  
President

Class:

558 President's Favourite Recipe – Dundee Cake

Rather than going with a proven favourite I thought this recipe should be in keeping with our celebration of 170 years since the first Show. So I had a look for a cake recipe from the 1880s and found this one based on a Madam Marie de Joncourt's 1882 recipe – Karen Dore TAS President

To be made to the following recipe

### Ingredients

- 180g butter – softened
- 120g caster sugar
- 4 eggs
- 1tsp vanilla extract
- 180g plain flour
- 150g sultanas
- 2 tsp baking powder
- 1/3 grated whole nutmeg
- 100g ground almonds
- 125g candied peel, cut into thin, 2cm slivers

### Method

- Preheat the oven to 170C (150C fan forced).
- Grease and line a 20cm, deep (at least 10cm) loose-bottomed cake tin. Line the edge of the tin with 4 layers of greased parchment, fruit-filled cakes benefit if protected from the high temperatures that baking in a tin will generate.
- Put the softened butter into a bowl and whisk until light and creamy.
- Add the sugar and whisk until pale and fluffy.
- Whisk in the eggs one at a time. Whisk each for 3 minutes before adding the next egg.
- Stir in the vanilla.
- Stir the remaining (dry) ingredients together in a separate bowl.
- Gently fold the dry ingredients into the wet ingredients. Don't over-mix, or you run the risk of deflating all the air you've just whisked into it.
- Spread the mixture into the tin and level the top.
- Bake for one hour, gently turning the tin around 180 degrees after 40 minutes.
- Check for 'done-ness' by inserting a wooden toothpick deep into the centre of the cake. If no liquid batter is clinging to it when removed, the cake is done.
- Cool for 10 minutes in the tin, then remove to a wire rack to cool completely.
- Store, wrapped in foil, in an airtight tin.

The result should be a delicately thin crisp crust, with a moist and buttery inside, rich with the sweetness of sultanas and the tang of candied orange peel.

Class:

559 Man Cake – To be only entered by men. No ladies baking allowed.

Use any recipe. Legend status if you win

### Method

- Include a copy of the recipe with delivery of the exhibit.
- With this competition, size does not matter - free to use any tin, shape or size. It has proven to be wise to have an attempt at the recipe beforehand.
