Toodyay Agricultural Society – May 2025

Leisha Smith, Social Media & Publicity

Things are getting HOT in the Ag Show kitchen as we have less than 6 months left until the big day. Already there are limited spots left for vendors and food vans as everyone scrambles over each other to get the top locations. Some old favourites will be making a comeback so watch this space.

One hot topic of the monthly meeting was the fireworks. Always a cracker.

Due to popular demand, Tiff, our equestrian queen will be showcasing her miniature ponies again. If death by cuteness is a thing, it's probably wise to avoid them. They are not opposed to a cuddle or a selfie. Who needs a quokka as their Facebook profile picture when you can have the photo of a locally bred unicorn?

Memberships are up for sale now. We've decided to streamline the process on the day, so you'll need to be signed up by 31st August. For only \$25 you'll walk away with an annual schedule, 2 adult passes and a voucher for 2 non-alcoholic drinks mailed direct to you or your post-box. If you require a little something more in your bevvy then go and check out the Terrace Bar, the atmosphere is always tops.

Currently we are putting the call out for community groups to jump on board. Help us help you! Flick us an email and let's talk. I'm under the impression last year's groups did rather well out of getting involved.

Shouting out to Moondyne Men, Toodyay Junior and Senior Football Clubs, Baker's Hill Cricket Club and Toodyay Lions (with the help of Coondle VBFB). The fantastic Toodyay Cricket Club had a good time running the bar for us while Toodyay Locals Care ran the Sports Pavilion Tearooms and provided you with your free drinks that your membership scored you. Your support on the day was greatly appreciated.

The opportunity is now open for your company to jump on and sponsor the show in all its glory, offer up a prize, or both even! Head on over to the ABOUT section of [www.toodyayshow.com.au](http://www.toodyayshow.com.au) for more info.

Previously Schedule Prizes, Trophies and Advertising has been managed by one person. This year however we've broken the roles up to provide a more personal approach. Helen is reaching out to our previous supporters who have offered us prizes or trophies, you know who you are! It's heartening to admit the list is too long for this article, and we couldn't make this show happen without you all.

Noelene will now be in charge of Advertising, Grants and Sponsorship, if you want us to put your name out there with a reach of at least 4000 people. We have some great incentives for you. Again, a massive thank you from us and the community for making the show the fantastic event that it is.

Have you ever volunteered with us, or do you plan to get involved this year? To celebrate national volunteer week this year we'll be getting together for lunch on Saturday the 24th of May. Please reach out if you'd like to join us, we'd love to see you there. Email [toodyayagsociety@gmail.com](mailto:toodyayagsociety@gmail.com) for more details.
