## Casual Volunteer Tasks

V2 – November 2025

### Overview

This opportunity invites casual volunteers to play a key role in supporting the success of the Show by undertaking a variety of one-off tasks. These roles offer flexibility and the chance to contribute meaningfully without the need for an ongoing commitment or committee involvement. All agreed costs are reimbursed.

Each task contributes to creating a memorable experience for visitors. Volunteers will gain the satisfaction of making a positive impact, connect with others in their community, and experience the excitement of the Show from a unique perspective. These flexible and rewarding roles are perfect for those looking to give to the community and be part of the town's oldest event.

### Time Commitment

The time commitment for these roles varies, and an estimate is noted with the task description.

### Opportunities

Your *Expression of Interest* can be sent to [toodyayagsociety@gmail.com](mailto:toodyayagsociety@gmail.com) for consideration by the Committee (ideally prior to 31 May, noting that the Signage Placement task commences in April).

### Signage Placement

#### *In liaison with the TAS Publicity Coordinator*

Estimate 24 hours – would require the use of own vehicle. *Note: the roadside signs are mounted on star pickets, volunteer would need to be able to manage this.*

- Late April: put out Animal Signs (5), Magnets (8), Roadside (6) and Banners (3) before Moondyne.
- Early May: collect Animal Signs (5), Magnets (8), Roadside (6) and Banners (3) after Moondyne.
- Late July: put out Animal Signs (5), Magnets (8), Roadside (6) and Banners (3) before Avon Descent / Dowerin.
- Early October: collect Animal Signs (5), Magnets (8), Roadside (6) and Banners (3) after Show.

### Three Annual Competitions

#### *In liaison with the TAS Publicity Coordinator (supported by the Funding, Sponsorship & Grants Coordinator)*

Estimate 20 hours total plus Show Day.

- June: Confirm sponsors/support with the Funding, Sponsorship & Grants Coordinator.
- Consider new ideas to prevent ideas getting overused and creating less impact.
- Early July: Update existing T&C (Word) documents and export to PDFs. Create/collect/update/request required documents (ie entry forms, exercise book, social tile).
- Late July: Liaise with TAS Web and TAS Facebook for promotion and publication – each are normally released 3-4 weeks before their draw.
- August: Organise all items required for each competition (ie collection boxes, prizes for presentation).

#### 1) Pre-Show

Prize:	Family Entry + Show spending money, approximately \$150
Purpose:	Show promotion
Announced:	Two weeks before the Show
How:	Currently "Guess the Length" – a Rusty Roll image online, length guesses are made in the comments, closest to the actual length wins (refer to T&Cs for more information).

## 2) Gate Entry

Prize:	Donation by Sponsor ( <i>ie 2024 was Boshack, value \$1,000</i> )
Purpose:	Collect information on where visitor is from (postcode) and how they heard about the Show, along with encouraging interaction throughout the Showgrounds.
Drawn:	At the Show during the Award Presentations
How:	Currently, hunt style activity to encourage visiting multiple places in the Showgrounds, winner drawn at random (refer to T&Cs for more information).

## 3) At Show

Prize:	\$50 cash (\$30 first / \$20 second)
Purpose:	Encourage interaction with the livestock/agricultural section at the Show
Announced:	At the Show during the Award Presentations
How:	Currently a pre-weighed Heifer penned at the Show (alternative could be “Guess the weight of the Fleece” TAS have scales), weight guesses are recorded in an exercise book (name / guess / phone number), closest to the actual weight wins (refer to T&Cs for more information).

## Annual Emergency Scenario

### *In liaison with the TAS Entertainment Coordinator*

Estimate 10 hours total plus Show Day (midday to 1pm display + set-up).

Coordinate DFES (Toodyay VFRS), WA Police and St John Ambulance to attend on Show Day – along with organising a wrecked vehicle (ie car, motorbike, car towing a trailer or caravan, tractor), including transport to and from the Showgrounds, plus ‘victims’ (has been Curtin volunteers in past) and their ‘stage’ make-up.

*How to document, with contacts, provided.*

## Annual Timber Milling

### *In liaison with the TAS Entertainment Coordinator*

Estimate 10 hours total plus Show Day (4 hours).

Coordinate supply and collection of wood for Timber Milling Demonstration, along with selling and delivery to / collection by buyers of the timber post-Show. Note, this task does not have to be done, but it’s a great fundraiser.

## To Do

- August: confirm vendor, supplier and transport.
  - Vendor: Lucas Mills, contact Jamie 0414 748 782 – we can only organise this if the vendor is attending (noting they utilise three 7mx7m bays).
  - Supplier: currently Charlie Wroth (donation).
  - Transport: George Murray (donation).
- September: liaise with Publicity / Social Media to promote the demonstration including that wood is available for sale and that special cuts can be catered for.
- Show Week Friday: arrange for the wood delivery of logs in liaison with Jamie.
- Post-Show:
  - Sawdust to be cleaned off the Oval.
  - Cut timber will need to be sold (if not already), and stored (in the Wool Pavilion) until pick-up/delivery.

## New Activities

### *In liaison with the TAS Entertainment Coordinator*

Hours would be dependent on the nature of the activity proposed.

Local organisations can propose activities which they would like to coordinate and run on Show Day, for example, as previously suggested (but the Committee have not had the resources to run):

- **Chocolate Wheel** – very popular but local Lions' haven't had the human resources to be able to run it. Ballajura Lions had one at Gidge Show, this could be a back-up contact, or approach local Golf Club or Bowling Club (they have done it in the past).
- **Farm Skills Challenge** – check Koorda Show for more information as this is where the idea came from. Also, Northam Show host the Young Farmers Challenge every year (and won the National Finals in 2024!). Contact Simon Reynolds or Fiona Brown in Northam for any local assistance, also reference the Young Farmers Challenge Handbook.
- **Fundraising Sausage Sizzle** – feedback from attendees noted this would be a good food option.
- **Garden Competition** – judged the week before the Show, popular for a number years. The local Garden Club could run it, would need to consider supporter for prize.
- **Toss the...** – could be a work boot or a welly or a hay bale. Old fashioned / agricultural, group could ask for gold coin donation to fundraise. Suggest approaching the Toodyay Agricultural Alliance or Toodyay Historical Society.
- **Tractor / Ute Pull** – this was a previous Show activity, check Piawaning Expo for more information, as they regularly run one.
- **Trail** – York promote a Scarecrow Trail as a pre-Show promotional competition, we tried once, not a lot of engagement, some ideas for a different kind of visible interaction would be great, maybe something on a gate?
- **Tug-o-War** – could be run by a group of organisations as a competition against each other?
- **Other** – approach the Committee with your idea!

## AvonLink Show Special Train Show Bag
